Hi.I'm Sailendra Bathi Babu(170050081), a CS Sophie.

This mail is requesting the verification of a resume point about my participation in RC plane competition which was held during spring 2018 and we attended all of the flying sessions.

I have mentioned the following point under the section "Other Minor Projects",

Built an RC Plane of approximately 90 cm wingspan using Polystyrene foam and participated in a competition conducted by Aeromodelling Club, IIT Bombay.

Hoping to hear from you soon.

Thank You.
